

Field Guide

— A Living Map —

Amber Allen

BEFORE WE BEGIN

2

This guide is not about fixing what is broken.
It is an invitation to notice what is beautiful,
true, and life-giving within me.

I ask these questions through love
and wisdom, not fear.

*What has always been true about me
that I am proud of?*

What Creates Me

Love
&
Light

What am I weaving?

What I Create

MY ESSENCE

How does life move through me?

THE VALUES OF ME

Integrity

I create trust through
care and follow-through.

Connection

I recognize common threads
and weave people and
ideas together.

Play

Joyful exploration where
curiosity, laughter, imagination,
and presence come alive.

Learning

I remain curious
enough to keep
discovering.

Love

Love begins within, then
moves outward with warmth,
compassion, and grace.

Guided by curiosity. Protected by discernment. Expressed through kindness.

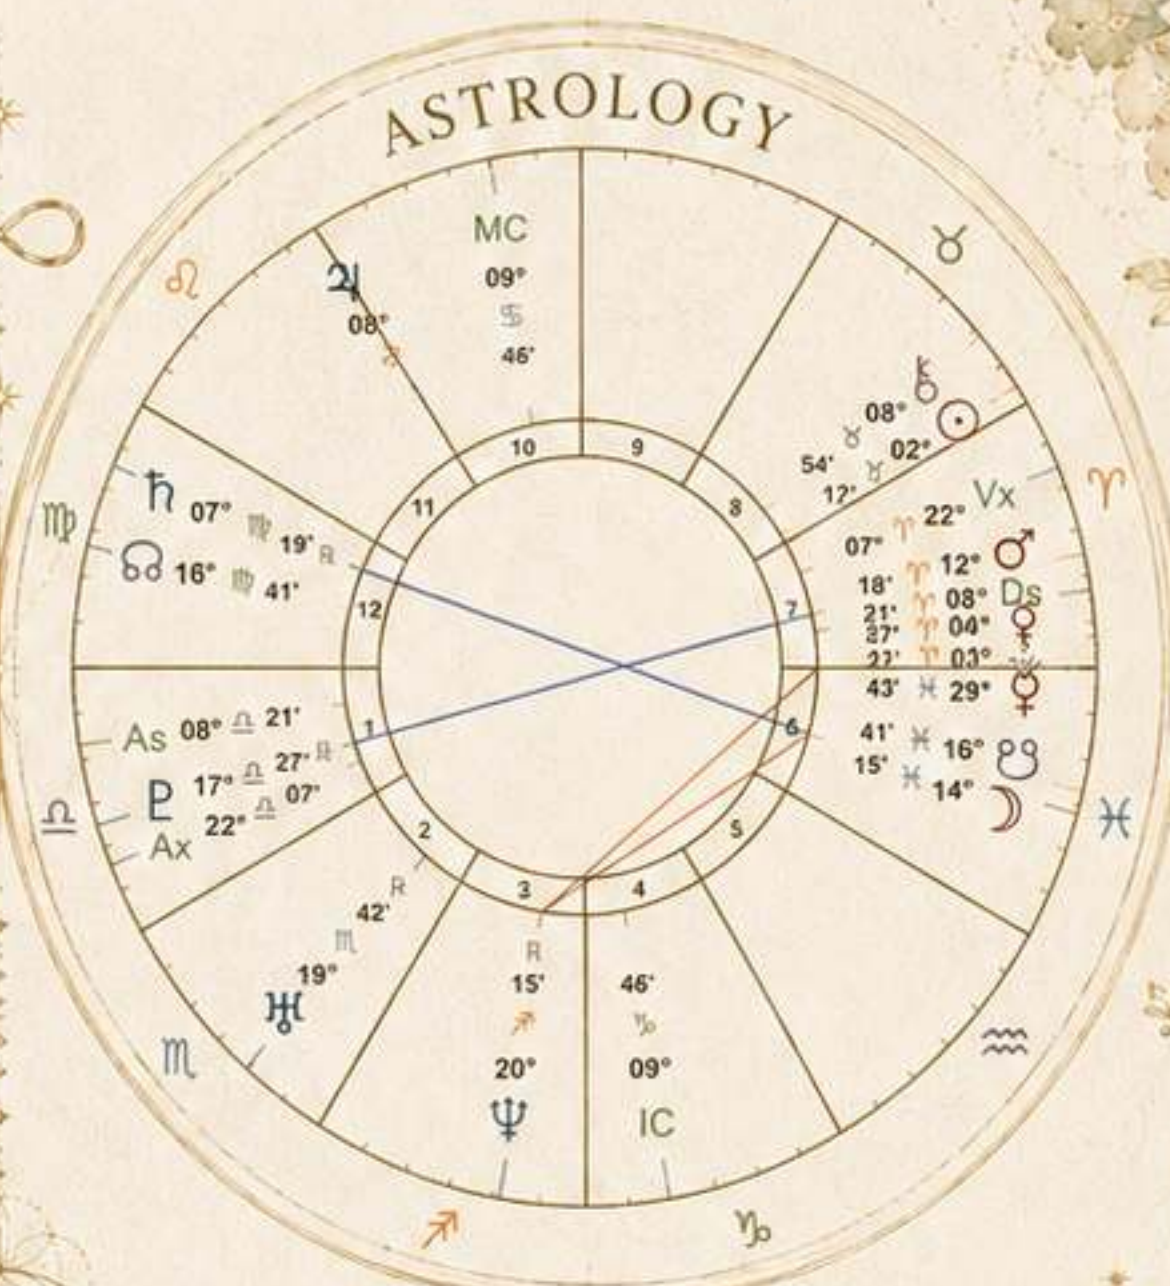

WAYS OF SEEING

— Different lenses. One living self. —

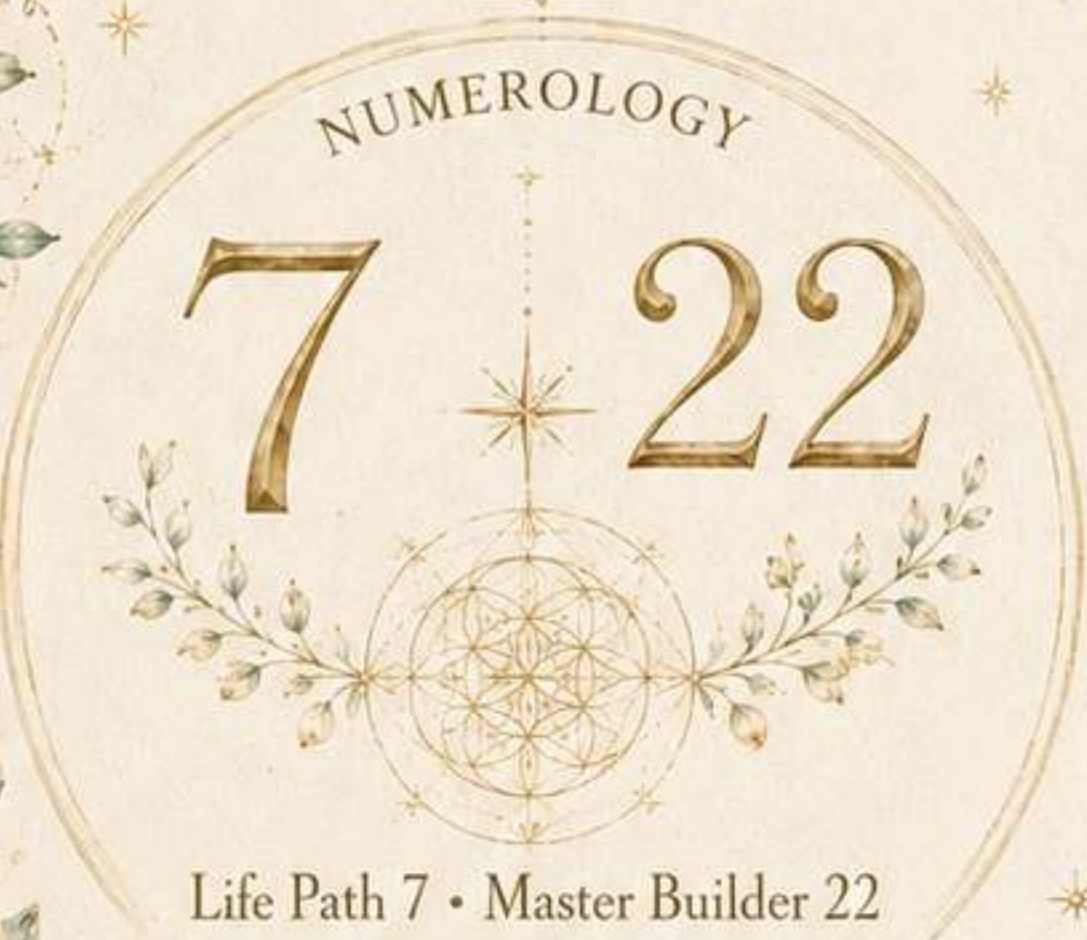

Mental Projector

A perceptive guide who sees patterns clearly.

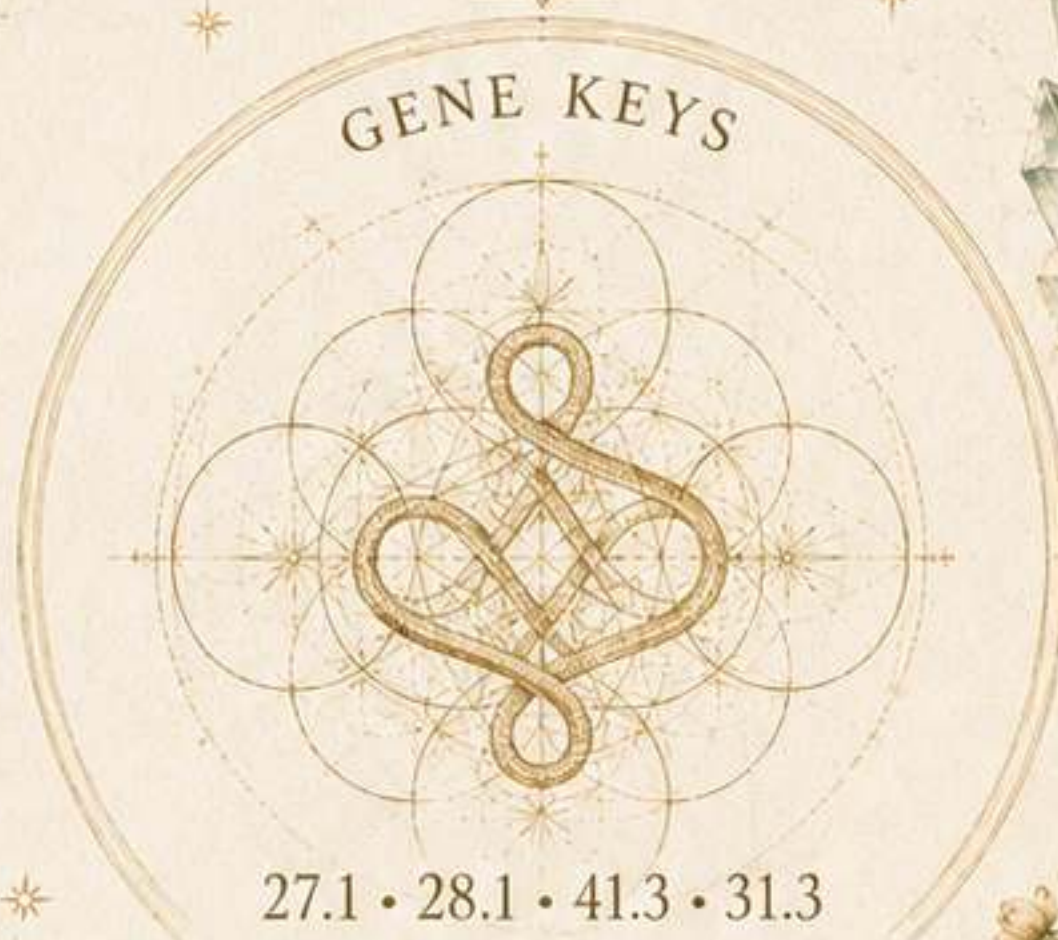

Taurus Sun • Pisces Moon • Libra Rising

Grounded, intuitive, and relational.

Life Path 7 • Master Builder 22

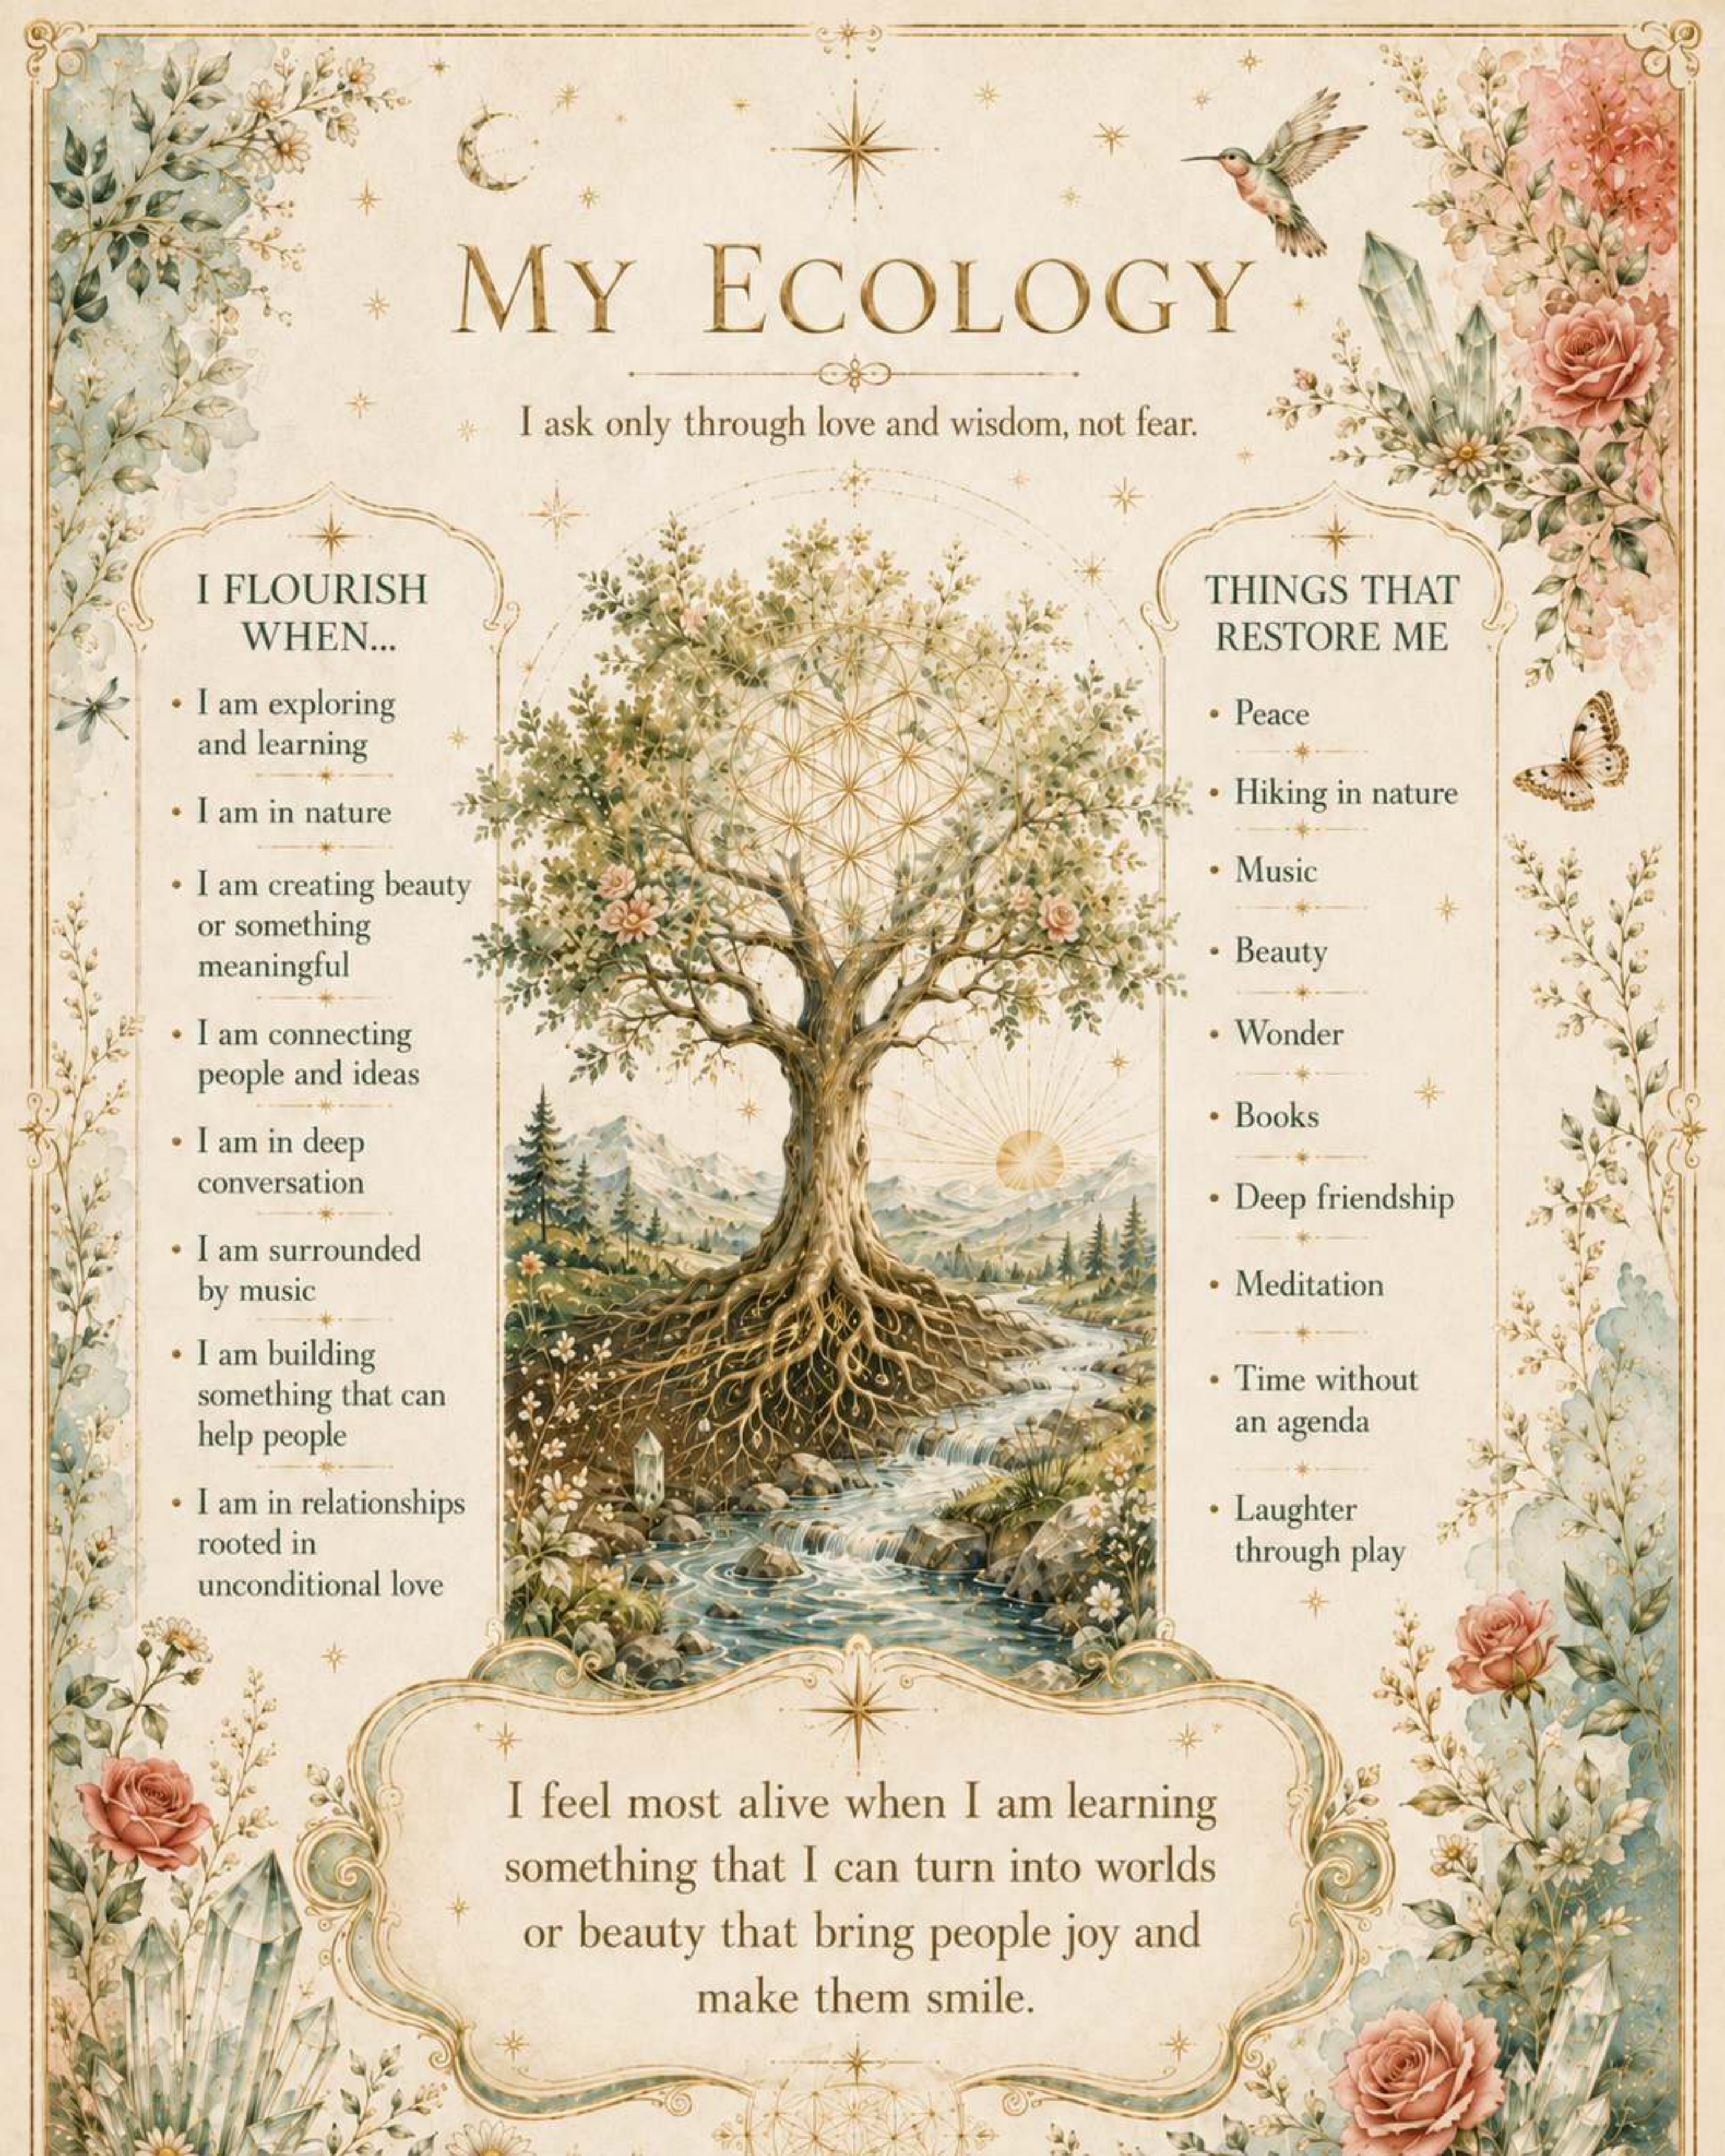

Repeated 11 and 22 signatures unite intuition with structure. I discover what lies beneath the surface, then give it form through something beautiful, useful, and life-giving.

27.1 • 28.1 • 41.3 • 31.3

Nourishment as service.
Purpose through totality.
Imagination into radiance.
Leadership through humility.

MY ECOLOGY

I ask only through love and wisdom, not fear.

I FLOURISH WHEN...

- I am exploring and learning
- I am in nature
- I am creating beauty or something meaningful
- I am connecting people and ideas
- I am in deep conversation
- I am surrounded by music
- I am building something that can help people
- I am in relationships rooted in unconditional love

THINGS THAT RESTORE ME

- Peace
- Hiking in nature
- Music
- Beauty
- Wonder
- Books
- Deep friendship
- Meditation
- Time without an agenda
- Laughter through play

I feel most alive when I am learning something that I can turn into worlds or beauty that bring people joy and make them smile.

I FLOURISH IN

Exploration, nature, relationships of unconditional love,
music, deep connection, learning, building beauty,
and creating what helps people.

BEFORE TODAY ENDS...

*Create something.
Ask a different question.
Wander somewhere unexpected.*

*Do one thing that makes the child you
smile at the adult you've become.*
